

**Are you a
Police Officer, Fire Fighter, Teacher, EMS or Military/Veteran?
WE CAN HELP!**

You are recognized as a Public Servant in the community risking your lives on a daily basis. Most of the community does not see what you do behind the scenes. We appreciate what you do for our community and understand the your salary compensation for your valued service may be small compared to your large efforts. We are here to provide service to you for a change. Let us make the process of buying, selling or refinancing your home a little less out of your pocket.

Ask a HOPS4COPS Team Player about what we can do for you.
